HOW TO MAKE A CLAIM 46

The AIG travel insurance policy has been amended to address certain situations pertaining to COVID-19. This means that for some benefits, cover is expanded to include losses occurring after COVID-19 was a known event and could reasonably have been expected to lead to a claim (which otherwise could have been excluded as set out in the General Exclusions section of **your** policy). This Endorsement addresses what **you** are and what **you** are not covered for as it pertains to COVID-19.

Please note:

1. This Endorsement will attach to and form part of **your** policy.
2. This Endorsement is subject to all the provisions, limitations and exclusions of the policy except as they are specifically modified by this Endorsement. If any provision, limitation or exclusion in the policy is inconsistent with this Endorsement, the terms of this Endorsement shall prevail. Please note in particular the "**GENERAL CONDITIONS**" and "**GENERAL EXCLUSIONS**" sections of the policy.
3. All terms defined and references construed in the policy shall have the same meaning and construction in this Endorsement. Terms shown in bold in this Endorsement have defined meanings given to them in the **GENERAL DEFINITIONS** section of this Endorsement or the policy.

You can choose either the Supreme, Enhanced, Standard or Basic plan.

3. Policy types

On **your policy schedule**, **you** will also be able to see **your** selected **policy type**. The **policy type** shows which people are insured. The possible **policy types** are Individual or Family cover. This is further explained below.

- (a) **Individual** – If **you** selected Individual cover, the Policy covers **you** only.
- (b) **Family** – If **you** selected Family cover, the Policy covers **you** and/or **your** spouse and/or **your children**. Under a Single Trip **plan**, the family must depart from and return to Singapore on the same itinerary together as a family for cover to apply.
